16th January 2026

Dear Parents and Carers

**Year 7 (Y Side) Parents' Evening: Wednesday 21st January 2026 Online Appointment Booking
(3:30pm – 6:30pm)**

We are pleased to invite you to our online Year 7 Parents' Evening on **21st January 2026**, for pupils in tutor groups 7 Hill, Tower and Vale. This is a useful opportunity for you to discuss how well your child has progressed so far, this academic year, and the next steps of their learning journey.

We continue to use an online platform through which you can book appointments and 'meet' with your child's subject teachers. The system allows you to choose your own schedule and appointment times, whilst also allowing the flexibility of making the appointments around the structure of your usual day. We ask that families, where possible, only make one appointment per teacher due to demands of the whole cohort. The appointments will be conducted via a video link, which will require the use of a smartphone or another webcam and microphone enabled device.

You will be able to book appointments from 10:00am on Friday 16th January until 10:00pm on Monday 19th January. Please click on the following link to book, ensuring that you make your appointments before the deadline expires: <https://bredonhill.schoolcloud.co.uk/>.

A short guide on how to book appointments can be found on the school website here: [Parents' Evening Bookings](#).

If you experience any difficulties with the booking system or access to the required technology, please contact the school office. Should an individual member of staff become fully booked, you will be put onto a waiting list. If your child has Mr. Bristowe for Geography and PE please only make one appointment. We will contact you separately for any appointments we are unable to fulfil. Should you have any queries about your child's progress in these subjects, please email office@bredon.worcs.sch.uk and we will get in touch.

May I also remind you that you can keep informed of your child's progress through regular use of our My Child At School platform. We recommend the web-based version as more detailed information is available on it. Further information is available here: [MCAS letter](#).

Thank you for your ongoing support.

Kind regards

Cherry Bartlett
